

THE SECURITY TRAINING GROUP

About Us

The Security Training Group is the leading provider of professional security training in the State of Florida. The Security Training Group is comprised of Florida's two top training companies, the S2 Safety & Intelligence Institute and Invictus Security.

Since 1998, the S2 Institute and Invictus have trained thousands of security, Military and Law Enforcement professionals in critical public safety topics. With a cadre of world-class instructors, we have earned a reputation as one of the world's premier sources for security and public safety training.

The Security Training Group sets the standard in Florida for providing professional security training. The Security Training Group assists students with employment opportunities through our training programs. Our security training curriculum exceeds the States requirements and prepares students to provide top quality professional security services.

We provide traditional classroom instruction and hands-on training at our six state of the art security training academies located throughout Florida. The Security Training Group maintains state licensed security training academies in the following cities; Pembroke Pines, Boynton Beach, Largo, Tampa, Orlando, and Melbourne. Additionally, we provide mobile training teams to client locations throughout Florida.

What sets us apart is our team of highly experienced instructors. The instructor staff are recognized leaders in their field, and have trained thousands of military and security professionals. Our instructor staff is comprised of U.S. Military Veterans and Law Enforcement Professionals with years of relevant security and firearms experience.

There is a reason why so many customers and security providers choose The Security Training Group. The finest Security Officers in the industry are trained by the finest academy in the industry, The Security Training Group.

*Come find out why **THE SECURITY TRAINING GROUP** is the best choice to train your staff.*
